Innovating Today for a Healthier Tomorrow

WELCOME MESSAGE

Dear Industry Partners,

It is with great pride and enthusiasm that we invite you to be a part of **OCCUCON 2026**, the **76th National Conference of the Indian Association of Occupational Health**, to be held from January 7–10, 2026 in the historically rich and industrially vibrant city of Jamnagar, Gujarat.

As the flagship annual event of IAOH, OCCUCON continues to be a premier platform that brings together professionals dedicated to promoting health, safety, and wellbeing at the workplace. The conference serves as a confluence of medical practitioners, occupational health physicians, HSE leaders, researchers, safety professionals, industry experts, and policymakers – all committed to addressing the evolving challenges in occupational health and shaping future-ready solutions.

This year's theme, "Redefining Occupational Health, Safety & Wellbeing: Navigating Present Challenges, Shaping Future Solutions" reflects our collective mission to explore how industries and institutions can adopt smarter, safer, and more sustainable workplace practices in a time of rapid change—technological, environmental, and social.

Jamnagar, known as the "Oil City of India" and home to some of the country's most significant industrial operations, offers the perfect setting for conversations around occupational risk, health resilience, and sustainable growth. In addition to an enriching scientific program, **OCCUCON 2026** will offer numerous networking, branding, and engagement opportunities for organizations that are committed to supporting and innovating in this critical space.

We welcome your participation as a sponsor, exhibitor, or collaborator—and look forward to your support in making **OCCUCON 2026** a transformative experience for all attendees.

Warm regards,

Dr. Kirti Chudasama
Organizing Chairperson

Dr. Bhavesh Khodadiya
Organizing Secretary
